MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Ralph Preston, House Appropriations
Committee Staff, Re Agency Personnel Activities

1. Received a call from Ralph Preston, House Appropriations Committee staff, who told me that he will be making a point this afternoon in the meeting with the Director of the fact that he had requested a paper from the Agency outlining the personnel activities and the details of the current reductions which was not received. He had asked for the totals of the present and possible followon reductions, where the lay-offs were involved, and as much detail as possible on what is going on.

2. Yesterday afternoon I gave Preston copies of the House and Senate transcripts of the Director's briefing on the increase in the CIARDS quota. The information contained therein was not sufficient for his purposes in preparing for this afternoon's meeting.
